MISS ESTHER JONES

Dedication

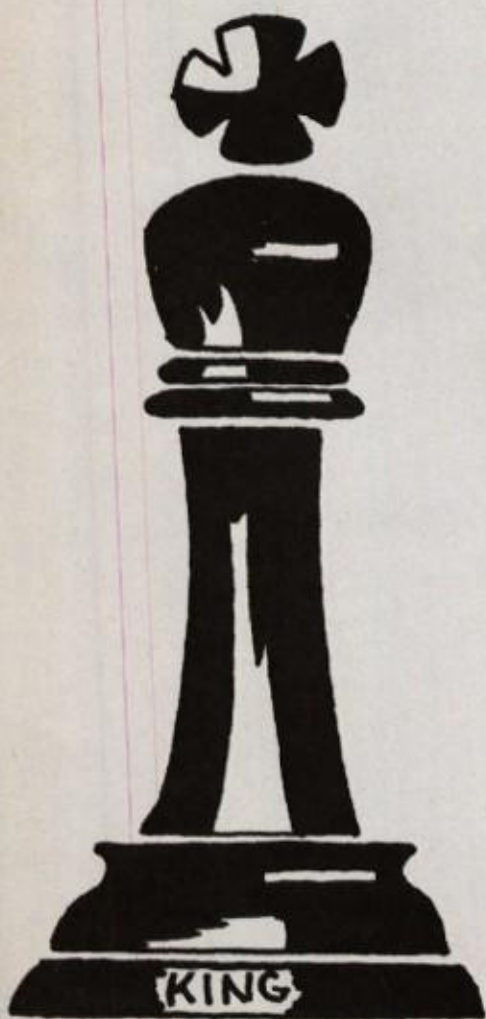

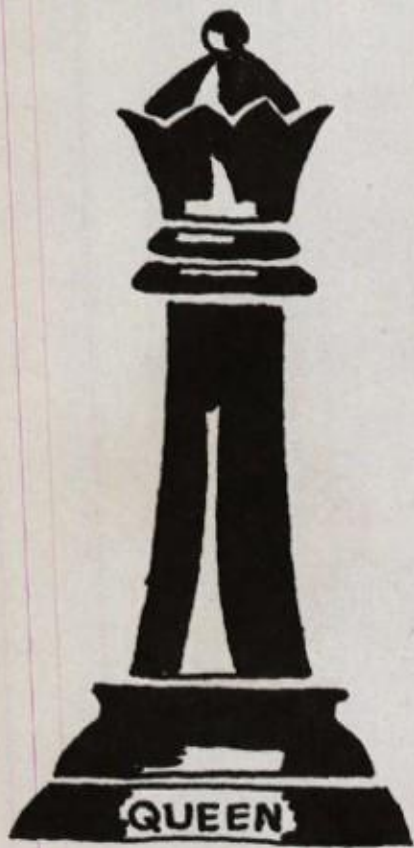

In sincere appreciation of her outstanding devotion and excellent guidance in the production of five successive "Dens," we dedicate this, the 1962 Den, to Miss Esther Jones.

Our Exchange Student

The American Field Service sent a delightful representative to Vestal this year. Kausar Niazi, called KoKo by her many friends, has proved to be a successful ambassador. KoKo has managed to introduce many of her interesting customs, mingling Western life with Eastern influence. Many a Vestal student will long remember the lovely personality and charming ways of KoKo.

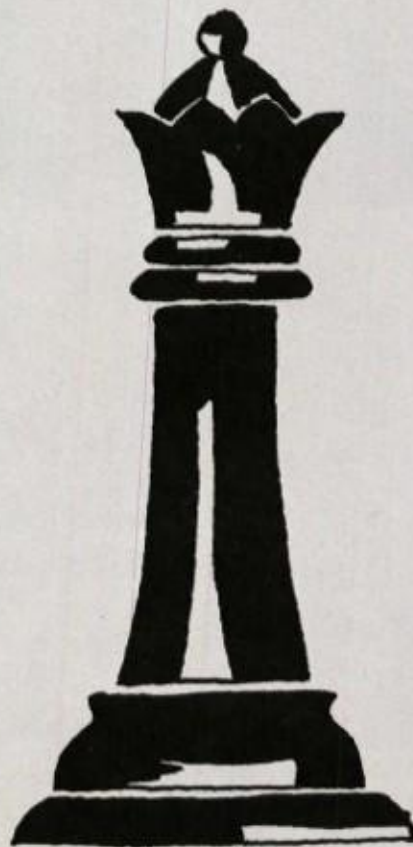

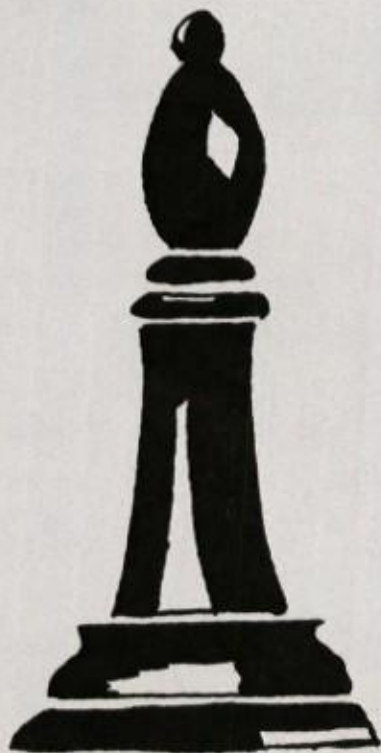

Foreword

Chess. The name itself carries a strange aura. Originated in the Orient, chess is a game of complex maneuvers, requiring vast skill and mental foresight. We have chosen this game as the theme of our yearbook, much because the intricacies of it can be compared to those of life. Upon entering high school, we seemed to be mere pawns, caught in the grinding of a massive machine trying to shape us into useful citizens. As Seniors, we have reached the ultimate; we are kings in our own little world. Soon we will be tossed out to life and become but pawns again.

MISS ESTHER JONES

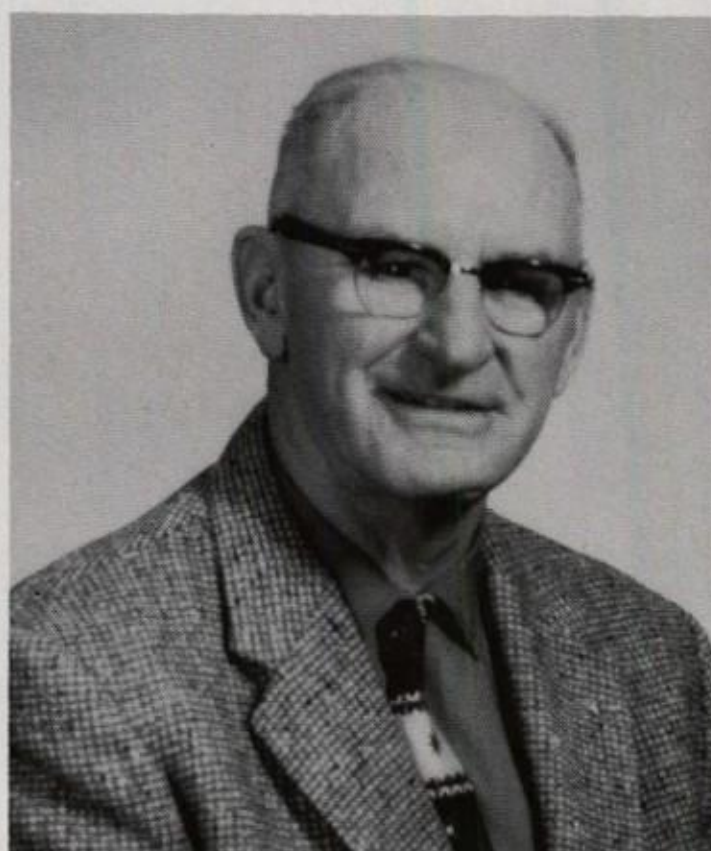

MRS. MARY ANN MACKO

The Class of 1962 sincerely thanks our class advisors for ventures. The sound and timely advice of Mrs. Jones and Mrs. Macko of the English Department, Mrs. Perry of the Business Department, and Mr. Ransom of the Language Department will enable us to successfully close our high school career with pleasant memories of our past endeavors. We shall always be indebted to them along with each and every teacher who has instilled in us a little more knowledge and a little more understanding.

GLENN HOOVER—Vice-President

We would like to thank our Senior Class officers for the time and effort that they have donated to the Class of '62. President Hazen Hunt, who came to Vestal in his Junior year, has proven his ability as a leader in a relatively short time. Glenn Hoover, our Vice-President for our Junior and Senior years, also served as President in our Freshman year. Class History

Our scholarly beginning took place in 1947 as we boarded the big yellow school buses that would carry us to our destination—Vestal Central School. Five seemed so young to be alone in the cruel world and we trembled as we climbed the school steps. Kindergarten days were happy ones, full of crayons, naps, and graham cracker crumbs. We were relieved to graduate into first grade because our "nap" rugs were slowly wearing out.

Once in first grade we found the time progressed rapidly as we were chased by playground gangs, usually led by Dave Gustin; bullied by "Big" Jim Fields; and donned our snow suits and boots with the aid of weary teachers.

Finally the day came when we ventured forth into the world as big junior high schoolers. It took weeks for the conceit to wear off until we became aware of the mighty Seniors who ran all.

Eighth grade found us separated into two groups; one in the Red Building, the other in Willow Point. Distance made no difference because all the girls wore chemise dresses while the boys made nasty remarks behind their backs.

We were reunited again as Freshmen when we entered the old high school building, full of high hopes and enthusiasm, only to have them crushed by upper classmen. We had our first lockers (which we could not open), our first dance, "April in Paris," and our first class picnic at San Souci Park. The class officers were: President, Glenn Hoover; Vice-President, Bob Singer; Treasurer, Rick Welty; and Secretary, Pat Blake.

Then came our Sophomore year when we were given the privilege of club memberships. Pizza and bake sales were the rage, at the same time adding money to our growing class treasury. We elected as President, Donna Farwell;

Vice-President, Rick Welty; Treasurer, Ron Williamson; and Secretary, Pat Blake. The highlight of the year was the Sophomore dance, "Appleblossom Soiree," followed by the class picnic at Rocky Glen.

Two months later a beautiful new high school building awaited us. We became the first Junior class to enter it. As blase Juniors, nothing was beyond us, not even crashing the Senior Lounge. In a stuffed ballot campaign, Ed Leamer became our class President. The other officers, Glen Hoover, Vice-President; Bill Montross, Treasurer; and Janice Duck, Secretary won fairly. Because of the long lunch lines, the Junior boys restored to eating grapefruit in the men's room. "Roman Holiday," our Junior Prom, was the anticipated climax of the year. To the soft music of Gino Calestri, Janice Duck was crowned Queen. Mary Jo Duffy and Joan Bleuer were first and second ladies-in-waiting, respectively. Soon after we traveled to Rocky Glen for our picnic.

We are now Seniors and proud owners of the famed Senior Lounge and rock garden. Soon it will be the end of our wonderful stay at Vestal, but we will never forget the cherished memories of our Senior year. The magazine drive with Dave Scott as high salesman, the Senior Play, "Mr. Co-Ed," and Snak Shak, which operated during home football games, were all successful endeavors to make our Senior year one which we shall always remember. Our 1961 fall term also brought us one of the best football teams Vestal has even seen, with a record of seven wins and only one defeat. The season ended with the crowning of Bill Montross as King Bruin at the annual King Bruin Dance. On December 22, we held our Senior Prom, "Frosted Fantasy," at which Mary Jo Duffy and Glen Hoover were crowned Queen and King. The leaders who guided us through our last year were Hazen Garfield Hunt, President; Glen Hoover, Vice-President; Mary Jo Duffy, Treasurer; and Janice Duck as Secretary.

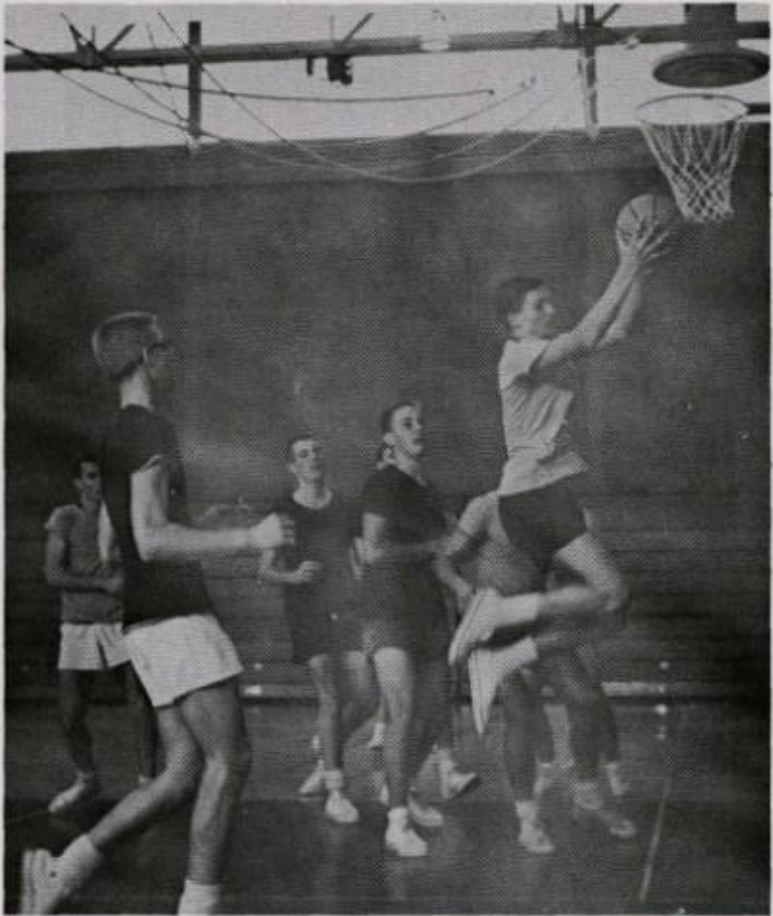

Time is fleeting rapidly; soon graduation will be upon us. Armed with our diplomas we will be ready to face whatever the future holds for the Class of '62.

VESTAL CENTRAL HIGH SCHOOL ALMA MATER

Along the rippling Susquehanna,
The shadow of our high school falls;
And mellow, mingled tints of sunset
Illumine now our classic halls;
While students gather 'round thine altars,
True loyalty to thee confess,
And sing with happy hearts and voices
In praise of V.C.S.

O, dear old Vestal Central High School
Attend our pledge of faithfulness,
As unto thee our hearts we offer,
With a love that we shall e'er profess.
And always in our true endeavors,
We'll strive for thee to win much fame.
Oh, Alma Mater, we all love thee,
And honor thy dear name.

The Candidates dance with their dates.

Sponsored by the Hi-Y Club, the annual King Bruin Dance marks the close of another football season. The King is chosen by school ballot from the Senior members of the football squad. An unusual feature of this dance is that the girls invite the boys.

Al Anderson—touchdown!

This was a familiar sequence to all who followed Golden Bear Football.

Al Anderson—point after!

Dave Gustin (27) is about to throw one of his conference-renowned, bone-crushing blocks as he springs the second-best ground gainer in the STC, Billy Montross, (head and right shoulder visible) on a 46 yard T.D. jaunt.

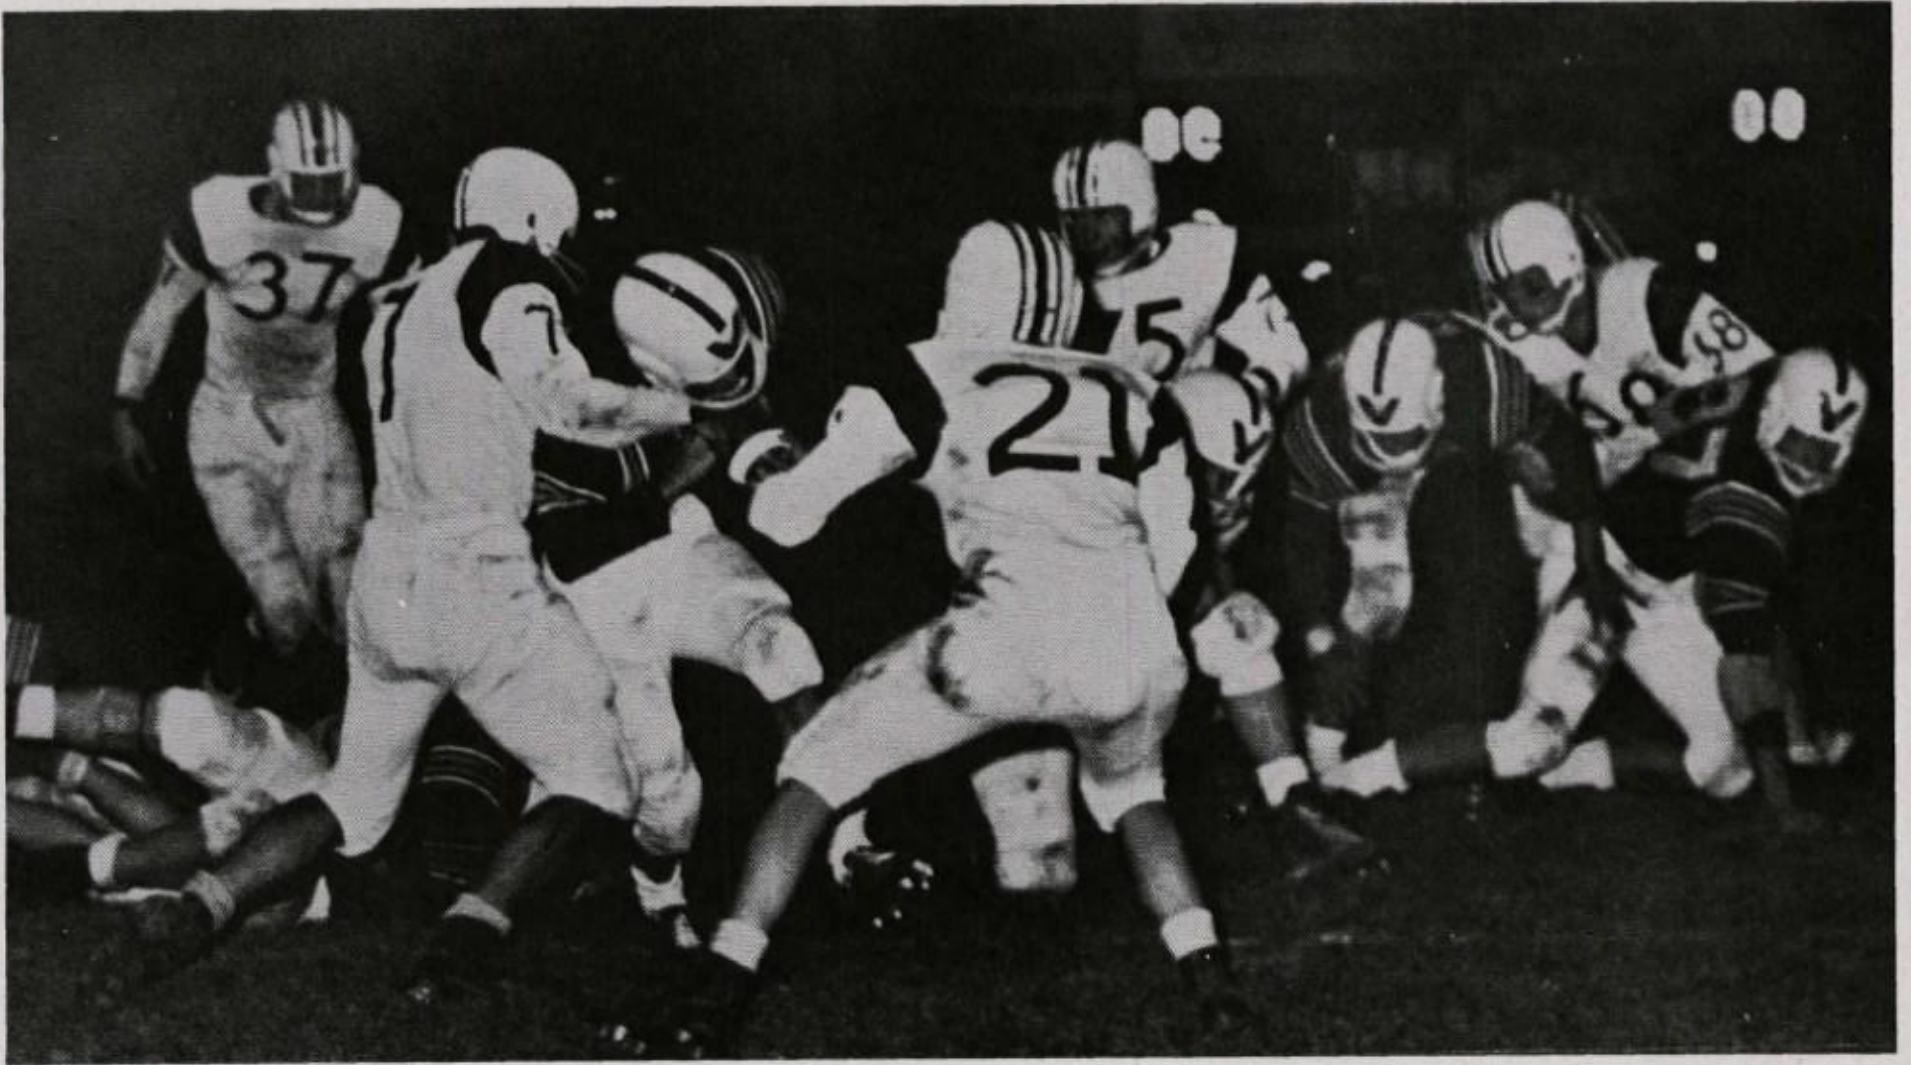

Golden Bear halfback Dave Gustin turns the corner and races around left end for a long gain.

Six foot-seven end Dan Murphy stretches out his long right arm for a point after touchdown pass, only to have it deflected by J.C.'s Dembowski.

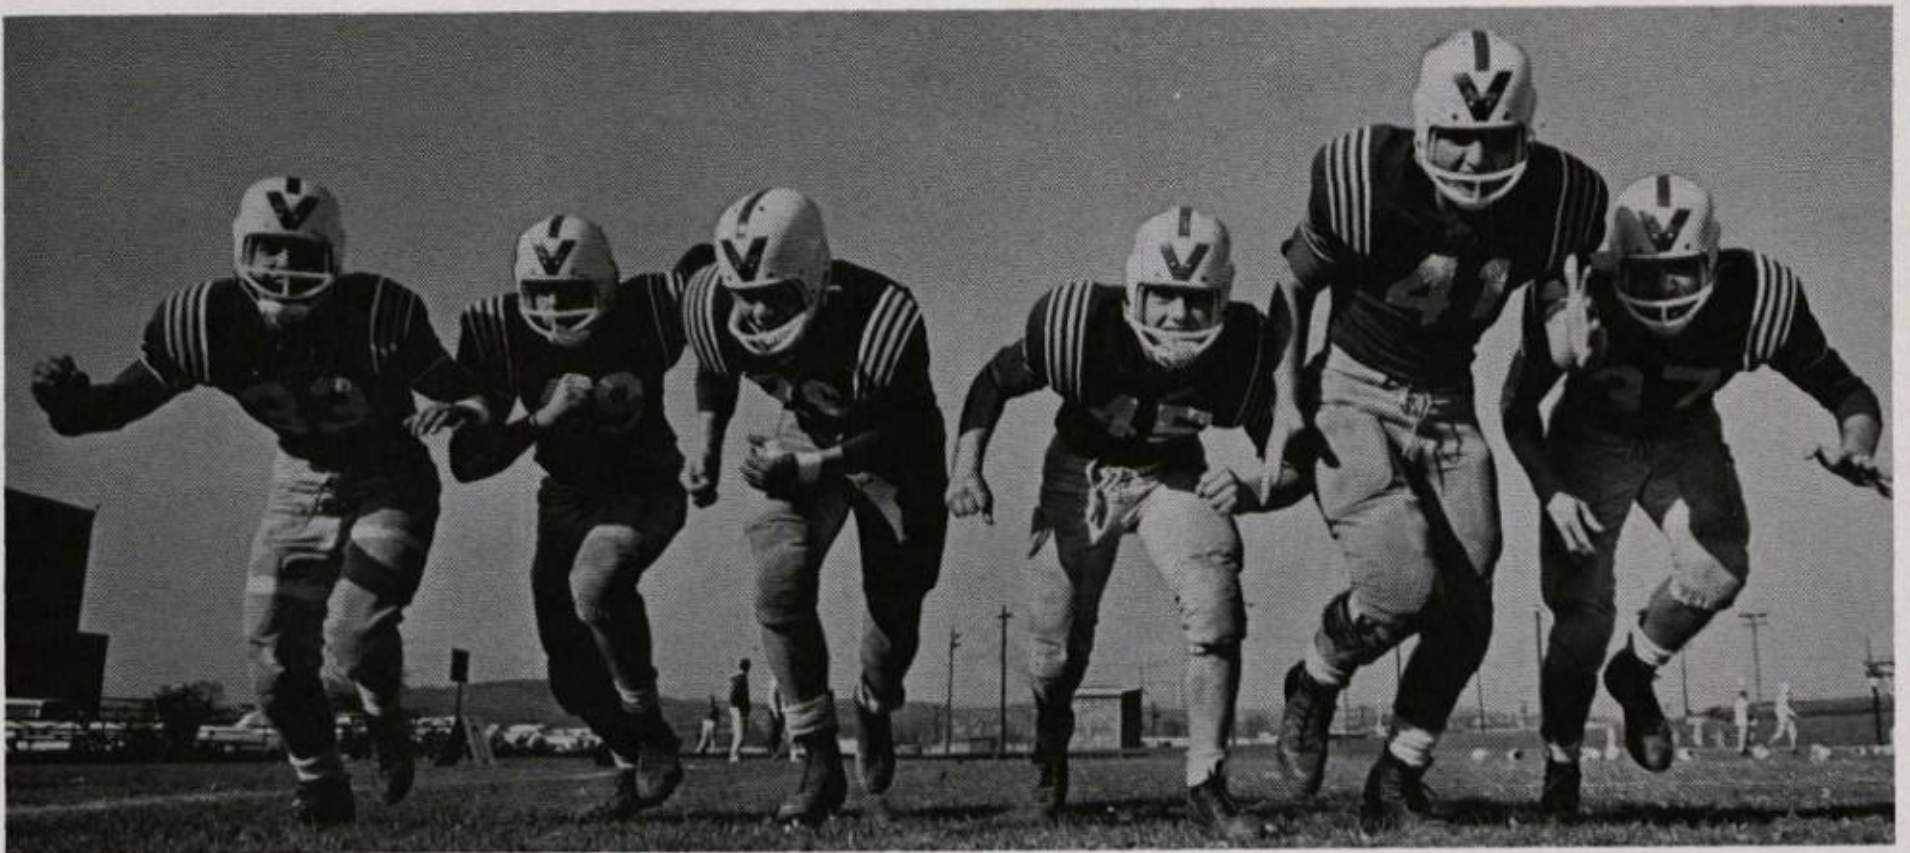

Quarterback Glenn Hoover —called by most the slick-est STC ball-handler seen in many years.

OFFENSIVE LINE

Distinguishable are Jerry Zimmer (far left), Dick Post (far right), Terry Kitner (helmet to right of #21), and Dave Gustin (second from right).

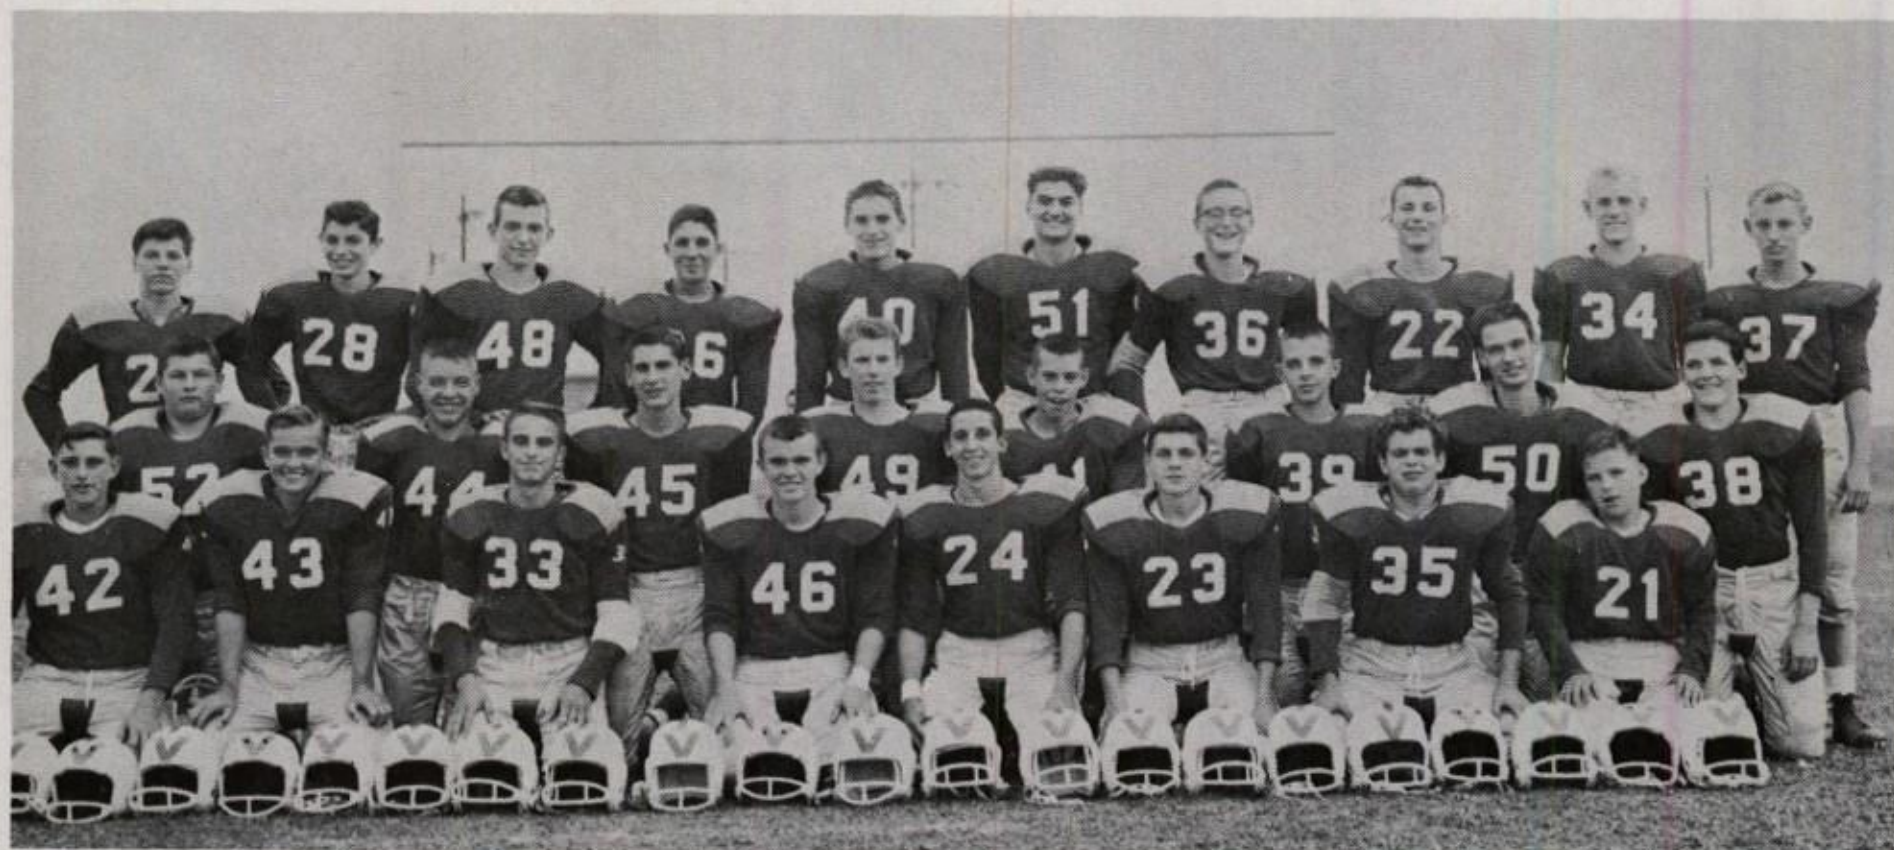

A part of our football team few people appreciate is the line.

DEFENSIVE LINE

Left to Right: Gene Mares, Mike Michno, Jerry Zimmer, Bob Post, Mike Minnich, Dick Post.

In the 1961-62 season Vestal athletes have been more than successful by compiling a record not soon to be equaled in the Southern Tier.

Our football team won seven and lost only the final tilt to Elmira South Side on a controversial goal line plunge from the one inch line by All-S.T.C. fullback Al Anderson. Or was it one foot?

Our basketball team, however, played without misfortune. In following in the footsteps of 60-61 Bears, who were section champs, the 61-62 Golden Bears went undefeated and ran up a seventeen game winning streak. Jerry Pierson and Al Anderson were named to the All-S.T.C. team, while Al stole the scoring title, as he had done in football.

Because publication time is in late February, your Den couldn't include 1962 baseball. A fine indication of the team's prospects, however, is Coach Gennett's opinion: "The big question mark is pitching. We've lost pitchers Ken Cramer, and Curt Heavey to graduation, as well as our four leading hitters from last season. However, if some of the younger boys come through, we'll be able to give a good account of ourselves. Our infield is solid and we have fair hitting. You can count on a hustling ball team that will do its best to help make this the greatest year in Vestal's sports history."
